7. Approval of the Board of Directors' proposal for a remuneration policy for the Board of Directors and Management Board.
8. Approval of the Board of Directors' proposal to complete a reverse share split to change the denomination of the Company's shares from DKK 0.25 each to DKK 10 each and to implement the amendments to the Articles of Association required as a result of the change in denomination. As a result of the change in the denomination, a shareholder holding 40 old shares of DKK 0.25 each will receive one new share of DKK 10. The change will not affect the Company's nominal capital. If a shareholder does not hold the number of shares of DKK 0.25 each required to convert them to a whole number of new shares of DKK 10 each, the Company offers to acquire or sell up to 39 old shares of DKK 0.25 each to the relevant shareholder. This is to ensure that all shareholders are given the opportunity to either sell or acquire old shares of DKK 0.25 each, enabling them to convert their shareholding to a whole number of new shares of DKK 10 each. The shares are acquired or sold at the closing price on NASDAQ OMX Copenhagen on the day of the transaction excluding brokerage fees or any other fees or costs for the shareholders. If the proposal is approved, the change is expected to be completed during the month of May 2011 and trading in the Company's shares is expected to be suspended for up to 3 days.
